### ATTENTION ALL 8th GRADERS & PARENTS!

All incoming freshmen and their parents who are planning to attend Evergreen High School for the 2010-11 school year are invited to attend an orientation meeting. This meeting regarding entrance into the high school, course offerings, student schedules, athletics and registration will take place on Tuesday, January 26 at 7:00 pm in the Evergreen High School gym. Mark your calendars!

### O.G.T. TEST

All 10th graders will be taking the Ohio Graduation Test the week of March 15, 2010. The following subjects will be tested: reading, writing, math citizenship and science. One subject test will be given each day. Eleventh and twelfth graders who still need to pass a portion of the OGT will also test the week of March 15. A note will be included in the progress report mailing if a junior or senior student needs to retake an OGT test.

### PROGRESS REPORTS & PARENT TEACHER CONFERENCES

Progress reports for the first nine weeks of the second term should arrive in the mail on Saturday, Feb. 6 addressed to the parent(s). Parents will have the opportunity to review the report prior to parent-teacher conferences in order to make arrangements to attend. Conferences will be conducted at the high school on Thursday, February 11 and Tuesday, March 23 from 3-7:30 pm. The progress report will also indicate if a teacher has requested an individual conference. It is very important that you receive this mailing. If you do not receive a progress report in the mail, please call the guidance office at 644-2951 and we will send you another copy.

A note regarding the post secondary option will also be included with the progress report.

### 2008-2009 CLASS SCHEDULES

High School Students — The scheduling process for the 2010-2011 school year has begun. Students in grades 8 through 11 received their course descriptions and scheduling materials in Janu-

ary. All students were asked to discuss their course selections with their parents and return their schedule choice form with a parent signature to the guidance office or homeroom teacher. If students have not turned this signed form in, they need to do this right away in order to make sure they get their requested courses.

**\*\*IMPORTANT\*\***

*Due to increased enrollment and the difficulty in managing changes, there will be no schedule changes next year! The courses the students select accompanied by the parents agreement via their signature will become the student's class schedule. These are the classes the students will need to take. The only exceptions will be overfilled classes, classes that are not offered due to lack of enrollment and conflicts with college courses.*

### SOPHOMORES

Students Interested In Attending Four County Career Center — Any sophomore wishing to attend Four County Career Center, for the 10-11 school year, should stop by the guidance office for an application. Applications should be turned in to the guidance office as soon as possible.

PLAN Test Results — All sophomores who took the PLAN test reviewed their results with Mrs. Lamour in January. Students were encouraged to discuss the test results with their parents. The PLAN test is a comprehensive guidance resource that helps tenth graders assess their current academic development, explore career/training options, and make plans for the remaining years of high school and post-graduation years.

### JUNIORS

PSAT Test Results — All juniors who took the PSAT test reviewed their results with Mrs. Lamour in January. Students were encouraged to discuss the test results with their parents.

The registration deadline for the June 12 test is May 7, 2010. Students may pick up registration materials and study guides in the guidance office. Students may also use additional reviews available in the guidance office and school library. Registration is also available at: WWW.ACTSTUDENT.ORG.

The Evergreen High School code is 363-380.
