John J. Schmitz Memorial Award Recipients

The Ohio State University Extension Fulton County 4-H Office is pleased to announce the recipients of the 2007 John J. Schmitz Memorial Award. The award is presented annually to two Fulton County 4-H Seniors to recognize their outstanding achievements in youth activities. The scholarships given are presented by the Bill Schmitz Family of Lyons, in memory of their son and brother, John. The Schmitz Family has long been interested in agriculture as a way of life and they believe strongly in the value of youth education programs such as 4-H and FFA. Their involvement in the Evergreen School District and in 4-H and FFA has led them to encourage youth to stay active in agriculture and these programs. Scholarship recipients are selected from written applications submitted by the candidates.
