**Many, Many  
Heartfelt Thanks**

We are both so touched and humbled by the outpouring of generosity and kind words of encouragement. Mere words seem inadequate to convey our gratitude to those of you who attended the benefit. Some of you traveled a great distance: so many of you donated your hard-earned money; and some very special people worked very hard to make the benefit a success. It was a wonderful day!

Many, many heartfelt thanks for everything- whether it was a gift of your time, a donation or simply a hug and a prayer. Please know that we are forever changed as a result of your compassion. We will not forget the words expressed in your cards and letters. Thanks to our neighbors, family and friends for the food, flowers and help and support. Each well wish we receive is precious and it gives us the motivation to get up and keep enduring the tough fight. You have turned our despair into HOPE and we are forever grateful.
