

EHS Art Club & Art Dept. Fall News

The HS Art Club kicked off the school year by scheduling a series of ceramic workshops designed to instruct members in techniques for wheel-thrown pottery. Pictured above are art club members watching as Miss Wilson, middle school art teacher, demonstrates how to make a small wheel-thrown pot. Miss Wilson has extensive experience in working with wheel-thrown pottery and donated her time to instructing students through individual workshops held after school throughout the month of October.

In September, Mrs. Watz's computer art classes participated in an international art activity to acknowledge World Peace Day on September 21, 2005. Students designed and constructed pinwheels using the computer then posted them in the interior courtyard of the high school/middle school complex. "Pinwheels for Peace" was an activity conceived by 2 art teachers from Florida who contacted schools around the world asking for their participation. EHS submitted photos to their website and one of our photos was selected to be a part of their online gallery. Visit the website, www.pinwheelsforpeace.com for a full explanation of the project. Evergreen's photo is featured on the web page, www.pinwheelsforpeace.com/webgallery2/Page13.html.
