

Kovar/Charnoubi

Mr and Mrs Daniel Kovar of Lyons are pleased to announce the marriage of their daughter Nicole Kovar to Andy Charnoubi, son of Mr. and Mrs. Sami Charnoubie of Boca Rotan, Florida.

The couple wed at The Inn of St. Johns, Plymouth, MI on Saturday, September 12, 2009. Nicole is a 1998 graduate of Evergreen High School and is a Registered Dental Hygienist in the Washington D.C. area. The groom is a Business Consultant for the Federal Government working for a private firm in the Washington D.C. area. After a honeymoon in Italy, the couple will reside in Arlington, VA.

Thank You

On Saturday, November 7, 2009 the evergreen athletic boosters held our 3rd annual reverse raffle.

I would like to take this opportunity to thank the following businesses and individuals for their support of our raffle:

- * Mike Kreuz and the staff at Smith's restaurant for preparing a wonderful meal

- * All the ladies who served beverages

- * Everyone who helped organize the event, set up the hall and stayed after the event to clean up

- * Everyone who solicited donations and made up the wonderful baskets for the auctions

- * Everyone who donated items to the silent and live auctions

- * Gary Truckor and father Ron Schock for their auctioneering services last but not least, I would like to thank all who purchased a ticket and came out to spend their hard earned money to help make this event such a success, although, the final numbers are not in yet every indication looks like we had another very successful evening.

Evergreen Elementary Salutes our area Veterans.

Several students post family member stars on the Evergreen Elementary Veteran's Wall

Students at Evergreen Elementary School hosted their 5th annual Veteran's Day program on November 11, 2009. The program began with the VFW color guard posting the flags, the Pledge of Allegiance and the singing of the Star Spangled Banner. The event featured the Evergreen Elementary Choir singing and dancing under the direction of Ms. Alice Inman.

Following the Performance, students created a Veterans' Wall by posting stars with family member's names on the gym wall. The wall will be up for display during the next few weeks.

The program also included several students reading letters that they wrote to veterans currently serving in the armed forces. Students from third grade also distributed thank you cards to veterans who were present in the audience.

HTS 8th Graders Visit Parish Shut-Ins

Holy Trinity School 8th Graders had a wonderful experience recently when they took lunch to Holy Trinity parish shut-ins. Our senior citizens were so grateful for the meal, but most of all, for the company as their smiles would indicate. Our students were really excited about being able to do something nice for someone, and they came back to school just beaming! Many of the shut-ins said that they hardly ever had company, and our students realized that even a 10 or 15 minute visit can really make a difference in other people's lives. The eighth graders will be visiting shut-ins and taking a meal to them each month as they learn to follow Jesus' message of serving others. Visiting them monthly will also give them an opportunity to really get to know the parishioners and learn their stories. Pictured in the photo with the Holy Trinity 8th Graders is their teacher, Sr. Karel Marie Schwartz, as the class headed out with hot lunches.

Grant Received for Regional Library Document Digitalization Project

In cooperation with the Ohio Historical Society in Columbus, 12 public libraries across nine Northwest Ohio counties, including the Evergreen Community Library, are partnering to implement a regional document digitalization project.

The purpose of the project is to make an array of important and deteriorating local history resources more available to state residents and a worldwide audience of researchers through the Ohio Historical Society's Ohio Memory Project.

Materials to be scanned include books, photographs, postcards, newsletters, pamphlets, atlases, slides, flyers and yearbooks. Subject matter will include community histories; area businesses; community celebrations and festivals; local personalities; school records; family genealogies; and area homes. Participating libraries will determine their own priorities for scanning based on condition and use of their materials.

This grant will allow the Evergreen Community Library to "share many facets of our very interesting local history through this online resource, with people well beyond our service area", according to Jane Dominique, the director.

The equipment for the project was installed in November and the training has been completed. The participating libraries will begin submitting their files to OHS. The images subsequently will be made available to the public through the web sites of the OHS and the libraries involved in the project.

Funding for this grant is being provided by the State Library of Ohio, Columbus, through the Library Services and Technology Act; the Northwest Regional Library System, Bowling Green; and the 12 participating libraries.
