Get out your magnifying glasses and get ready to solve a few mysteries with a discussion on the book, 39 Clues: The Maze of Bones by *Rick Riordan*. This book is about the adventures of Amy and Dan Cahill, orphans who travel around the world in search of clues to the family fortune. They are distantly related to Benjamin Franklin and throughout the book are cryptic clues, facts about world history, and danger from other family members trying to find the clues first. This is a great read and is the first book in a ten book series. The program will take place on **Wednesday, July 29th from 3:00 p.m. to 4:00 p.m.** Participants can pick up their copy of the book on Thursday, July 16. Teen book discussions are available for all 5th - 12th graders and refreshments will be served. Registration is required.

For a further challenge, if the students read 800 hours or more, Debbie will wear a hot dog suit on the way to the Charm! This is great photo opportunity, so be sure to bring your cameras.
