## NHS Update

*Written by Rachel Ruth, newsreporter*

The Evergreen NHS Game-A-Thon to raise money for the Fulton County Heart Radio-a-thon went on as planned on Thursday February 11 in spite of all the snow. Officers were unable to give a report of the day's activities on the radio due to the road conditions. In spite of it all the students were able to raise a total of \$1,370 for the heart Radio-Thon. Although the day was shortened by a two hour delay, NHS gamers showed up from 10:00 AM to 3:00 PM smiling and focused on the job, or better said game, at hand. The students worked hard at playing basketball, Monopoly, Balderdash, cards, kickball, charades and other games throughout the day.

After the Game-A-Thon the NHS seniors went straightway into preparing a special feast for their hard working faculty and staff. NHS members are preparing dinners for the faculty during parent teacher conferences in February and March. The NHS officers also decorated the tables with sweet delights and centerpieces. The faculty and staff were served wonderful homemade Italian cuisine. Along with the main course they were also served a delectable fresh fruit assortment, healthy salad and cookies for desert.

As the faculty and staff entered the room for dinner they were greeted by a tunnel of cheering, grateful students.
