The purpose of this event is to encourage families to spend quality time together. Parents must accompany and remain with their children during the movie and throughout the evening.

Sponsored by Evergreen Elementary Parent Association (EEPA)

Little Things Make A Big Difference ...

Holy Trinity School students have always known that little things can help in a big way when it comes to community service, but this year they're asking for YOUR help with one of their collections! Each classroom, from Preschool to Grade 8, is collecting aluminum pop can tabs to benefit the Ronald McDonald House Charities of NW Ohio. The tabs are redeemed by the pound for dollars that are then used to buy fresh food, pantry and freezer items for families that stay at the Ronald McDonald House while their children are being treated at area hospitals. If you would like to help, just hang onto those pop can tabs! Then, when your container won't hold any more, drop them off at Holy Trinity School in Assumption and let us know to which class collection we should add them. The students in the classroom with the most tabs collected will receive McDonald gift certificates at the end of the school year. The deadline for dropping your tabs off at the school is Monday, April 25th. Pictured in the photo are HTS students Reegan Denton, Sydney Fahrer and Madison Denton who helped us deliver last year's 11.7 pounds of pop can tabs to the Ronald McDonald House.

Learning About Quitting Tobacco

MAUMEE, Ohio, Oct. 15, 2009 — The Tobacco Treatment Center at St. Luke's Hospital will host Learning About Quitting Tobacco on Wednesday, Nov. 18, from 7 to 8 p.m. in the hospital's Auditorium A at 5901 Monclova Road, Maumee.

"Quitting tobacco use is a process, and it takes planning. Very few people wake up one morning and decide to quit tobacco and succeed in breaking the habit the first time," explained Debbie Matthews, a certified tobacco treatment specialist and the supervisor of the Tobacco Treatment Center.

This free community program will provide information to help participants make decisions about quitting tobacco use and the tools to put together a quit plan. Those tools include:

- Discovering the health, social and financial benefits of quitting
- Identifying personal reasons for quitting
- Learning how secondhand smoke affects loved ones' health
- Identifying smoking triggers
- Learning about proven quit-tobacco therapies, like nicotine replacement therapy and stress management

To attend Learning About Quitting Tobacco, please call 419-897-8484. Participants can also register online at www.stlukeshospital.com.

Evergreen Elementary School welcomes the 2009-2010 Student Council Representatives.

Pictured (front row l-r) Chandler Lumbrezer, Maureen O'Neil, Emma Anderson, Sarah Schwan, (middle row) Emily Smithmyer, Madysen Schmitz, Hannah Herr, Livia Tolek, (back row) Drew Greene, Delaney Smith, (advisor) Mr. Beck, Alyson Salsberry, and Lexie Shipman

All of the students in grades three, four, and five elected room reps for their individual classes. The whole school population will elect a School Mayor on November 3, 2009 from the list of room reps that want to run for Mayor. We will be voting electronically just as voters in Ohio will cast their ballots for the Presidential Election. Congratulations to all that ran as well as the following elected room reps.

Annual Veteran's Program

On November 11th at 1:15 in the elementary gym the children will be presenting their annual Veteran's Program honoring our veterans and those in active service. Special recognition will be displayed with stars on a Veteran's Wall. The elementary choir will be highlighted in song with a patriotic message and remembrance of our veterans. The public is welcome to attend with a special warm invitation to all local veterans and those home from all branches of service.
