Evergreen Schools Celebrate Excellent Rating

The Evergreen Schools opened the 2006-07 school year on August 14, 2006 with a celebration of the Excellent Academic Rating the school earned as a result of its 2005-06 performance. The Excellent Rating was a result of meeting 24 of the 25 academic indicators. In the past three years, the school district has advanced from Continuous Improvement in 2003-04, to Effective in 2004-05 and received the top school rating of Excellent in 2005-06. This increase in performance is due in large part to the efforts of teachers and students to be the very best. Teachers have worked very hard at teaching the state standards in very effective ways and the students have accepted the challenge of working hard and performing to the best of their abilities. A big thank you as well goes out to school administrators, Mark Basilius - High School, Tom Shafer - Middle School and Scott Lockwood, Jane Draheim - Elementary School for their efforts in the education leadership arena.

Evergreen joins Archbold, Pettisville and Wauseon as the Excellent Rated School Districts in Fulton County.

Evergreen Participates In Shoe Bowl

The Evergreen varsity football team participated in the Shoe Bowl Preview at the University of Toledo on Friday Night August 18, 2006. The night was a success for the team as they beat Toledo Scott 14-0 in one quarter and then Cardinal Stritch 13-6 in the 2nd quarter.

The defense played very well in both contests led the way by Paul Hilton and Jack Wade. Josh Beaverson and Cody Gleckler also did an excellent job up front on defense.

On offense the Vikings rushed for over 200 yards and added another 48 yards in the air. Paul Hilton scored 3 times, to include an 86 yard run, and Chris Pfund also reached the end zone on the night.

The offensive line of Andy Ronau, Jon miller, Brad Loeffler, Zach Lashaway, Jack Wade, and Corey Robertson did an excellent job of creating holes for the Viking rushing attack all night.

The Vikings travel to Northwood for their first contest of the season.
